A: Intro

B:

First things first, I'mma say all the words inside my head.
I'm fired up and tired of the way that things have been, oh ooh.
The way that things have been, oh ooh.

C:

Second things second, don't you tell me what you think that I can be.
I'm the one at the sail, I'm the master of my sea, oh ooh.
The master of my sea, oh ooh.

D:

I was broken from a young age, taking my sulking into the masses.
Write down my poems for the few, that looked at me took to me,
shook to me, feeling me. Singing from heart ache, from the pain.
Take up my message from the veins. Speaking my lesson from the brain,
seeing the beauty through the...

E:

Pain. You made me a, you made me a believer, believer.
Pain. You break me down, you build me up believer, believer.

F:

Pain. I let the bullets fly, oh let them rain.
My luck, my love, my God, they came from...
Pain. You made me a, you made me a believer, believer.

G:

Third things third, send a prayer to the ones up above.
All the hate that you've heard has turned your spirit to a dove, oh ooh
Your spirit up above, oh ooh.

H:

I was choking in the crowd, living my brain up in the cloud.
Falling like ashes to the ground. Hoping my feelings, they would drown.

I:

But they never did, ever lived, ebbing and flowing,
Inhibited, limited till it broke up and it rained down, it rained down, like.
