Intro

Verse 1 When I look into your eyes, it's like watching the night sky.
Or a beautiful sunrise oh there's so much they hold.

Verse 2 And just like them old stars I see that you've come so far.
To be right where you are how old is your soul?

Chorus1 Well, I won't give up on us even if the skies get rough.
I'm giving you all my love I'm still looking up

Verse 3 And when you're needing your space to do some navigating.
I'll be here patiently waiting to see what you find.

Chorus 2 'Cause even the stars they burn, some even fall to the earth
We've got a lot to learn God knows we're worth it.
No, I won't give up.

Bridge I don't wanna be someone who walks away so easily
I'm here to stay and make the difference that I can make.
Our differences they do a lot to teach us how to use
the tools and gifts we got, yeah, we got a lot at stake.
And in the end, you're still my friend at least we did intend
For us to work we didn't break, we didn't burn
We had to learn how to bend without the world cavin' in
I had to learn what I got, and what I'm not, and who I am

Chorus 3 I won't give up on us even if the skies get rough
I'm giving you all my love I'm still looking up, I'm still looking up.

Chorus 4 Well, I won't give up on us God knows I'm tough enough.
We've got a lot to learn God knows we're worth it.

Coda I won't give up on us even if the skies get rough.
I'm giving you all my love I'm still looking up.
