Intro

We built this city. We built this city on rock and roll.
Built this city. We built this city on rock and roll.

Verse 1

Say you don't know me or recognize my face.
Say you don't care who goes to that kind of place
Knee deep in the hoopla, sinking in your fight.
We got too many runaways eating up the night.

Pre-Chorus1

Marconi plays the mamba, listen to the radio.
Don't you remember? We built this city.
We built this city on rock and roll.

Chorus1

We built this city. We built this city on rock and roll.
Built this city. We built this city on rock and roll.

Verse 2

Someone's always playing corporation games.
Who cares, they're always changing corporation names.
We just want to dance here, someone stole the stage.
They call us irresponsible, write us off the page.

Pre-Chorus 2

Chorus 2 {2x}

Bridge

It's just another Sunday In a tired old street
Police have got the choke hold, oh.
But we just lost the beat.

Verse 3

Who counts the money underneath the bar?
And who rides the wrecking ball in two rock guitars?
Don't tell us you need us 'cause we're the ship of fools.
Looking for America, calling through your schools

*(I'm looking out over that Golden Gate bridge on another gorgeous sunny Saturday
and I'm seein' that bumper to bumper traffic.)*

Don't you remember? (remember)

*(Here's your favourite radio station, in your favourite radio city,
the city by the bay, the city that rocks, the city that never sleeps.)*
