Chorus 3

The image displays a musical score for the song "Baby, Now So" by The Beatles. The score is written for five vocal parts (S1, S2, A1, A2) and a Jazz Organ accompaniment. The key signature is one sharp (F#), and the time signature is 4/4. The vocal parts are arranged in a call-and-response format, with S1 and S2 providing the main melody and A1 and A2 providing harmonic support. The Jazz Organ part provides a rhythmic and harmonic accompaniment, featuring a repeating pattern of eighth and sixteenth notes. The lyrics "Baby, now so" are repeated throughout the piece.

Vocal Parts:

- S1:** Lead vocal, starting with a triplet of eighth notes "la la la" and a long note "la".
- S2:** Second lead vocal, mirroring S1's melody.
- A1:** First harmony vocal, providing a sustained accompaniment.
- A2:** Second harmony vocal, providing a sustained accompaniment.

Jazz Organ:

- Accompaniment for the vocal parts, featuring a repeating pattern of eighth and sixteenth notes.
- Chords: D, D/F#, G, A, D, D/F#, G, A, D, D/F#, G, A, D, D/F#.

Lyrics:

Baby, now so
 Baby, now so
 Baby, now so
 Baby, now so

Thinking out loud 13
08 SSAA Piano Moderated

The musical score is presented on five systems. The first system includes vocal staves S1 and S2, and piano accompaniment P.M. Staves S1 and S2 are in treble clef with a key signature of one sharp (F#). They contain lyrics "la la la la la la la la la la" followed by "Ooh". Staff A1 is also in treble clef and contains the lyric "Ooh". Staff A2 is in treble clef and contains the lyric "Ooh". The piano part (P.M.) is in grand staff (treble and bass clefs) and contains chords D, D/F#, G, and A. The second system continues the vocal parts with more "Ooh" lyrics and melodic lines. The piano part continues with similar harmonic support. The third system shows further development of the vocal melody and accompaniment. The fourth system concludes the piece with final notes and rests. The fifth system provides the ending for all parts. A large, light gray watermark reading "ZANO" is oriented diagonally across the center of the page.

Thinking out loud

- Ed Sheeran -

*Words and Music by Ed Sheeran
Arranged by Hans Reintjes
Original Key D major*

Verse 1

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?

Verse 1a

And, darlin', I will be lovin' you 'ntill we're seventy
And, baby, my heart could still fall as hard at twentythree
I'm thinkin' 'bout how people fall in love in mysterious ways
Maybe just a touch of a hand
Well, me I fall in love with you ev'ry single day
I just wanna tell you I am

Chorus 1

So honey now, take me into your lovin' arms
Kiss me under the light of a thousand stars
Place your head on my beatin' heart
I'm thinking out loud
Maybe we found love right where we are

Verse 2

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same

Verse 2a

'Cause honey your soul could never grow old, it's evergreen
And, baby, your smile's forever in my mind and memory
I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
Well, I'll just keep on making the same mistakes
Hoping that you'll understand

Chorus 1

But, baby, now. Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
Thinking out loud
That maybe we found love right where we are

Chorus 3

So, baby, now. Take me into your loving arms
Kiss me under the light of a thousand stars
Oh, darling, place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are
