A: (intro)

B:

I'd sit alone and watch your light,  
my only friend through teenage nights.  
And ev'rything I had to know  
I heard it on my radio.

C:

You gave them all those old time stars,  
through wars of worlds invaded by Mars.  
You made 'em laugh, you made 'em cry,  
you made us feel like we could fly. (radio)

D:

So don't become some background noise,  
a backdrop for the girls and boys  
who just don't know or just don't care,  
and just complain when you're not there.  
You had your time, you had your power,  
you've yet to have your finest hour.  
Radio. Radio.

E:

All we hear is Radio ga ga,  
Radio goo goo, Radio ga ga.  
All we hear is Radio ga ga, Radio blah blah.  
Radio what's new?  
Radio someone still loves you!

F: (interlude)

G:

We watch the shows, we watch the stars,  
on videos for hours and hours.  
We hardly need to use our ears.  
How music changes through the years.

H:

Let's hope you never leave old friend.  
Like all good things on you we depend.  
So stick around 'cause we might miss you  
when we grow tired of all those visuals.  
You had your time, you had your power,  
you've yet to have your finest hour.  
Radio. Radio.
