A:
Ooh

B:
I wanna take you somewhere so you know I care (Ooh)
But it's so cold and I don't know where (Ooh)
I brought you daffodils in a pretty string
But they won't flower like they did last spring

C:
And I wanna kiss you, make you feel alright (Ooh)
I'm just so tired to share my nights (Ooh)
I wanna cry and I wanna love
But all my tears have been used up

D:
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up (Ooh)

E:
Oh Aah

F:
And if somebody hurts you, I wanna fight
But my hand's been broken, one too many times
So I'll use my voice, I'll be so fucking rude
Words they always win, but I know I'll lose

G:
And I'd sing a song, that'd be just ours (Oh)
But I sang 'em all to another heart (Oh)
And I wanna cry, I wanna learn to love (Aah)
But all my tears have been used up (Aah)

H:
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up (Oh)

I:
Oh - Aah

J:
I wanna sing a song, that would be just ours (Oh)
But I sang 'em all to another heart (Oh)
And I wanna cry, I wanna fall in love (Aah)
