# I just can't stop loving you

*Words and Music by Michael Jackson  
Arranged by Hans Reintjes  
Original Key*

Each time the wind blows I hear your voice so I call your name  
Whispers at morning our love is dawning Heaven's glad you came  
You know how I feel this thing can't go wrong  
I'm so proud to say I love you  
Your love's got me high I long to get by  
This time is forever love is the answer

I hear your voice now you are my choice now, the love we bring  
Heaven's in my heart at your call I hear harps,  
And angels sing  
You know how I feel this thing can't go wrong  
I can't live my life without you  
I just get hooked on I feel we belong  
My life ain't worth living if I can't be with you

I just can't stop loving you. (2x)  
And if I stop then tell me just what will I do  
'cause I just can't stop loving you

At night when the stars shine I pray, in you I'll find a love so true  
When morning awakes me will you come and take me I'll wait for you  
You know how I feel I won't stop until  
I hear your voice saying "I do"  
This thing can't go wrong this feeling's so strong  
My life ain't worth living If I can't be with you

I just can't stop loving you. (2x)  
And if I stop then tell me just what will I do  
'cause I just can't stop loving you

We can change all the world tomorrow we can sing songs of yesterday  
I can say, hey farewell to sorrow  
This is my life and I,  
Want to see you for always

I just can't stop loving you. (2x)  
And if I stop then tell me just what will I do

I just can't stop loving you. (2x)  
And if I stop then tell me just what will I do  
'cause I just can't stop loving you
