Verse 1

I was so high, I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye as she got on a plane
Never to return again
But always in my heart

Chorus 1

This love has taken its toll on me
She said goodbye too many times before
And her heart is breaking in front of me
I have no choice 'cause I won't say goodbye anymore

Verse 2

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

Chorus 2

Bridge

I'll fix these broken things
Repair your broken wings
And make sure everything is alright
My pressure on your hips
Sinking my fingertips
Into every inch of you
'Cause I know that's what you want me to do

Chorus 3
