intro

B
I should have known
I'd leave a-lone
Just goes to show
That the blood you bleed
is just the blood you owe

C
We were a pair. But I saw you there
Too much to bear
You were my life but life
is far a-way from fair

D
Was I stupid to love you?
Was I reckless to help?
Was it obvious to everybody else?

E
That I've fallen for a lie,
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

F
interlude

G
I let it burn
You're no longer my concern,
Faces from my past re-turn
Another lesson yet to learn

H
That I'd fallen for a lie
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

Fool me once, fool me twice,
Are you death or paradise?
