A:
All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse

B:
All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse

C:
Welcome to the room of people
Who have rooms of people
that they loved one day
Docked away
Just because we check the guns at the door
Doesn't mean our brains will
change from hand grenades

D:
You'll never know the psychopath
sitting next to you
You'll never know the murderer
sitting next to you
You'll think, "How'd I get here,
sitting next to you?"
But after all I've said, please don't forget

E:
All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse

F:
We don't deal with outsiders very well
They say newcomers have a certain smell
Ya've trust issues, not to mention.
They say they can smell your intentions

G:
You'll never know the freak show
sitting next to you
You'll have some weird people
sitting next to you
You'll think "How did I get here,
sitting next to you?"
But after all I've said, please don't forget

H:
Aah etc. watch it

I:
All my friends are heathens, take it slow
Wait for them to ask you who you know
Please don't make any sudden moves
You don't know the half of the abuse

J:
All my friends are heathens, take it slow
(watch it)
Wait for them to ask you who you know
(watch it)
Please all my friends are heathens,
take it slow, watch it
Wait for them to ask you who you know

K:
Why'd you come?
You knew you should have stayed
I tried to warn you just to stay away
And now they're outside ready to break in
It looks like you might be one of us
