Verse 1

Hello, it's me. I was wondering if after all these years you'd like to meet
to go over everything
they say that time's supposed to heal ya, but I ain't done much healing
Hello, can you hear me?
I'm in California dreamin' about who we used to be
when we were younger and free
I've forgotten how it felt before the world fell at our feet
There's such a difference between us and a million miles.

Chorus 1

Hello from the other side, I must have called a thousand times
to tell you I'm sorry for everything that I've done
but when I call you never seem to be home.
Hello from the outside, at least I can say that I've tried
to tell you I'm sorry for breaking your heart
but it doesn't matter it clearly doesn't tear you apart anymore.

Verse 2

Hello, how are you? It's so typical of me to talk about myself I'm sorry
I hope that you're well
Did you ever make it out of that town where nothing ever happened?
It's no secret that the both of us are running out of time.

Chorus 2

So hello from the other side, I must have called a thousand times
to tell you I'm sorry for everything that I've done
but when I call you never seem to be home.
Hello from the outside
at least I can say that I've tried
to tell you I'm sorry for breaking your heart
but it doesn't matter it clearly doesn't tear you apart anymore.

Interlude Ha ha ha ha hoo hoo hoo hoo

Chorus 3

Hello from the other side, I must have called a thousand times
to tell you I'm sorry for everything that I've done
but when I call you never seem to be home.
Hello from the outside, at least I can say that I've tried
to tell you I'm sorry for breaking your heart
but it doesn't matter it clearly doesn't tear you apart anymore.
