You look at me and babe, I wanna catch on fire
It's buried in my soul like California gold
You found the light in me that I couldn't find

So when I'm all choked up and I can't find the words
Ev'ry time we say goodbye baby, it hurts
When the sun goes down and the band won't play
I'll always remember us this way

Lovers in the night, poets tryin' to write
We don't know how to rhyme but damn, we try
But all I really know, you're where I wanna go
The part of me that's you will never die

E

So when I'm all choked up and I can't find the words
Ev'ry time we say goodbye baby, it hurts
When the sun goes down and the band won't play
I'll always remember us this way. Oh, yeah
I don't wanna be just a memory, baby, yeah

When you look at me
And the whole world fades
I'll always remember us this way
