Some Nights

*Words and Music by Nathaniel Joseph Ruess, Andrew Dost,
Jack Michael Antonoff and Jeffrey Bhasker
Arranged by Frank de Vreeze
Original Key B*

- A Some nights, I stay up cashing in my bad luck
Some nights, I call it a draw
Some nights, I wish that my lips could build a castle
Some nights, I wish they'd just fall off
- But I still wake up, I still see your ghost
Oh Lord, I'm still not sure what I stand for oh
What do I stand for? What do I stand for?
Most nights, I don't know anymore...
- B Oh whoa, oh whoa, oh whoa oh oh
Oh whoa, oh whoa, oh whoa oh oh
- C This is it, boys, this is war - what are we waiting for?
Why don't we break the rules already?
I was never one to believe the hype - save that for the black and white
Try twice as hard and I'm half as liked, but here they come again to jack my style
- D And that's alright; I found a martyr in my bed tonight
She stops my bones from wondering just who I am, who I am, who I am
Oh, who am I? mmm... mmm...
- E Well, some nights, I wish that this all would end
Cause I could use some friends for a change
And some nights, I'm scared you'll forget me again
and some nights, I always win, I always win...
- But I still wake up, I still see your ghost
Oh Lord, I'm still not sure what I stand for, oh
What do I stand for? What do I stand for?
Most nights, I don't know... (come on)
- F So this is it? I sold my soul for this?
Washed my hands of God for this?
I miss my mom and dad for this? (Oh come on)
- No! When I see stars, and that's is all they are
When I hear songs, they sound like this one, so come on
Oh, come on. Oh, come on, Oh come on!
- G Well, boys you can stand this all - five minutes in and I'm bored again
Ten years of this, I'm not sure if anybody understands
This one ain't for the folks at home; Sorry to leave, mom, I had to go
Who the fuck wants to die alone all dried up in the desert sun?
