Lyrics

Before You Go

- Lewis Capaldi -

A Intro

B I fell by the wayside, like everyone else
I hate you, I hate you, I hate you but I was just kidding myself
Our every moment, I start to replace
'Cause now that they're gone, all I hear are the words that I needed to say

C When you hurt under the surface
Like troubled water running cold
Well, time can heal, but this won't

D So, before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather

E So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go

F

G Was never the right time, whenever you called
Went little by little, by little until there was nothing at all
Our every moment, I start to replay
But all I can think about is seeing that look on your face

H When you hurt under the surface
Like troubled water running cold
Well, time can heal, but this won't

I So, before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather
So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go

J Would we be better off by now
If I'd let my walls come down?
Maybe, I guess we'll never know
You know, you know

K Before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather

L So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go
