Steel-string acoustic guitar

Guitar

The guitar part is written on a single staff in 4/4 time. It begins with a treble clef and an 8va (octave up) marking. The piece is in C major, with a key signature of one sharp (F#). The melody is composed of eighth and sixteenth notes, often beamed together. Chord changes are indicated by 'C' and 'Dm' above the staff. The piece concludes with a final C chord and a double bar line.

B

C D^m F

The second system of the musical score for 'The Rose Tree' is shown. It begins with a treble clef and a key signature of one flat (B-flat). The melody is written on a single staff. The first measure is marked with a '16' and an '8' below it, indicating a measure rest for 16 beats. The melody consists of eighth and sixteenth notes. There are two 'C' time signatures (common time) indicated above the staff. The system ends with a double bar line.

[A] (intro)

[B]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[C]

And I will go
To the farthest place on earth I know
I can travel all the road, you see
Cause I know you're there with me

[D]

You don't have to slow me down
Cause I will always be around
I will find my way back home
Where magnolia grows, where magnolia grows

[E] (interlude)

[F]

But I guess you know
Why I do what I do and where I go
I try to fill an empty space inside
But I can't do that without you

[G]

You're even with me in my dreams
I see a sail, the seven seas
I will try to find my way
You're always there tomorrow,
you're always there tomorrow

[H]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[I]

And I will go
To the farthest place on earth I know
I can travel all the road, you see
Cause I know you're there with me

[J]

You don't have to slow me down
Cause I will always be around
I will find my way back home
Where magnolia grows, where magnolia grows

[K]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[L]

And I will go
To the farthest place on earth I know
I can travel all the road, you see
Cause I know you're there with me
