What's going on in that beautiful mind? I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me, but I'll be alright

My head's under water but I'm breathing fine  
You're crazy and I'm out of my mind

'Cause all of me loves all of you  
love your curves and all your edges, all your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning, even when I lose I'm winning.  
'Cause I give you all of me, and you give me all of you

How many times do I have to tell you, even when you're crying you're beautiful too?  
The world is beating you down I'm around though every mood  
You're my downfall, you're my muse, my worst distraction, my rhythm and blues  
I can't stop singing this ringing in my head for you.

My head's under water but I'm breathing fine  
You're crazy and I'm out of my mind

'Cause all of me loves all of you  
love your curves and all your edges, all your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning, even when I lose I'm winning.  
'Cause I give you all of me, and you give me all of you

Cards on the table we're both showing hearts  
Risking it all though it's hard

'Cause all of me loves all of you  
love your curves and all your edges, all your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning, even when I lose I'm winning.  
'Cause I give you all of me, and you give me all of you  
I give you all of me, and you give me all of you
