A intro

B

Pretty women are walking with gorillas down my street
From my window I'm staring while my coffee grows cold
Look over there! (Where?) There's a lady that I used to know
She's married now, or engaged, or something, so I am told

C

Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
Cause if my eyes don't deceive me there's
something going wrong around here

D

E

Tonight's the night when I go to all the parties down my street.
I wash my hair and I kid myself I look real smooth
Look over there! (Where?) Here comes Jeanie with her new boyfriend
They say that looks don't count for much If so, there goes your proof

F

Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
Cause if my eyes don't deceive me there's
something going wrong around

G

here, around here

H

But if looks could kill There's a
man there who's more down as dead.
Cause I've had my fill Listen you, take your hands off her head
I get so mean around this scene

I

J
