Intro Okay, Coconut man, Moon Heads and pea . You ready

verse 1 Seems like ev'rybody's got a price,
I wonder how they sleep at night.
When the sale comes first,
And the truth comes second,
Just stop for a minute and smile

Why is ev'rybody so serious?
Acting so damn mysterious?
Got your shades on your eyes
And your heels so high
That you can't even have a good time

Pre Chorus

Ev'rybody look to their left (yeah)
Ev'rybody look to their right (uh)
Can you feel that (yeah)
We're paying with love tonight

Chorus It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance,
Forget about the price tag
Ain't about the (uh) Cha-Ching Cha-Ching
Ain't about the (yeah) Ba-Bling Ba-Bling
Wanna make the world dance,
Forget about the price tag.

Verse 2 We need to take it back in time,
When music made us all unite!
And it wasn't low blows and video hoes,
Am I the only one getting tired?

Why is ev'rybody so obsessed?
Money can't buy us happiness
Can we all slow down and enjoy right now
Guarantee we'll be feeling alright
