Original Key*

A

I still dream of Orgonon
I wake up crying
You're making rain
And you're just in reach
When you and sleep escape me

B

You're like my yo-yo
That glowed in the dark
What made it special
Made it dangerous
So I bury it
And forget

C

But every time it rains
You're here in my head
Like the sun coming out
Ooh, I just know that something good is gonna happen
I don't know when
But just saying it could even make it happen

D

On top of the world
Looking over the edge
You could see them coming
You looked too small
In their big, black car
To be a threat to the men in power

E

I hid my yo-yo
In the garden
I can't hide you
From the government
Oh, God, Daddy
I won't forget
