A:

B:  
You're here, where you should be  
Snow is falling as the carolers sing  
It just wasn't the same  
Alone on Christmas day  
Presents, what a beautiful sight  
Don't mean a thing if you ain't holding me  
tight  
You're all that I need  
Underneath the tree

C:  
Tonight I'm gonna hold you close  
Make sure that you know  
I was lost before you  
Christmas was cold and grey  
Another holiday alone to celebrate

D:  
But then one day everything changed  
You're all I need  
Underneath the tree

E:  
You're here, where you should be  
Snow is falling as the carolers sing  
It just wasn't the same  
Alone on Christmas day  
Presents, what a beautiful sight  
Don't mean a thing if you ain't holding me  
tight  
You're all that I need  
Underneath the tree

F:

I found what I was looking for  
A love that's meant for me  
A heart that's mine completely  
Knocked me right off my feet  
And this year I will fall  
With no worries at all

G:

'Cause you are near and everything's clear  
You're all I need  
Underneath the tree

H:

You're here, where you should be
