Intro
Mmh

A
Boys, boys don't cry
boys keep it all inside
I tried to hide it underneath
still, my heart starts to beat

B
My human heart
Only got a human heart
I wish it didn't run away
I wish it didn't fall apart, oh

My human heart
Night and day and light and dark
Any day it could be torn in half
Only got a human heart

C
Girls can make-believe
Girls wear it on the sleeve
Thought I could pretend for trying's sake
Still, my heart had to break

D
My human heart
Only got a human heart
I wish it didn't run away
I wish it didn't fall apart, oh

My human heart
Night and day and light and dark
Any day it could be torn in half
Only got a human heart
