I want you to stay
Till I'm in the grave
Till I rot away, dead and buried
Till I'm in the casket you carry

C

If you go, I'm goin' too
'Cause it was always you
And if I'm turnin' blue, please don't save me
Nothin' left to lose without my baby

Birds of a feather, we should stick together, I know
I said I'd never think I wasn't better alone
Can't change the weather, might not be forever
But if it's forever, it's even better

E

And I don't know what I'm cryin' for
I don't think I could love you more
It might not be long, but, baby, I
I'll love you till the day that I die

F

Till the day that I die
Till the light leaves my eyes
Till the day that I die

G

I want you to see
How you look to me
You wouldn't believe if I told ya
You would keep the compliments I throw ya

H

But you're so full of shit
Tell me it's a bit (oh, oh)
Say you don't see it, your mind's polluted
Say you wanna quit, don't be stupid

I

And I don't know what I'm cryin' for
I don't think I could love you more
It might not be long, but, baby, I
Don't wanna say goodbye
