Intro
(Doo doo doo)

Verse 1

You're stranded in the desert ain't gonna be no rescue tonight
My telephone is ringin' but me and it are havin' a fight
Don't wanna hear your misery, talkin' to me in my sleep
Tellin' me your kisses are destiny when you act like a creep (Hoh !)

Chorus:

Stay on the other side In the universe of crazy lies.
There's a whole world waitin' down below
And now you're sinkin' in, in my quicksand, In my quicksand.

Verse 2

Don't send a messenger my lights are on but nobody's home
You could smother it with money, but really, you should leave me alone
For all the days of romancin' me, I am so over it,
All these definitions of ecstasy, is how my fuse got lit.
