A Night Like This

Words and Music by D. Schreurs/V. Degiorgio/J. v. Wieringen

Arranged by P. v. Lonkhuijsen

Original Key C# mineur

From where you are
you see the smoke start to arrive where they play cards
and you walk over, softly movin' past the guards
the stakes are gettin' higher, you can feel it in your heart

He calls your bluff
he is the ace you never thought he'd play that much
and now it's more than all his cards you want to touch
you'll never know if winnin' this could really be enough

Take a look beyond the moon
you'll see the stars
and when you look around
you know the room by heart

Chorus:
I have never dreamed it
have you ever dreamed a night like this
I cannot believe it
I may never see a night like this
when everything you think is incomplete
starts happening when you are cheek to cheek
could you ever dream it
I have never dreamed, dreamed a night like this

How many times
have I been waiting by the door to hear these chimes
to hear that someone debonair has just arrived
and opened up to see my world before my eyes

That silhouette
creates an image and a night I can't forget
it has the scent of something special - I can't rest
if I resist temptation, oh I know for sure that I will lose the bet

I walk away and suddenly it seems
I'm not alone
in front of me he stands
I stop before he goes
