Intro

A:

Sometimes in our lives we all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

B:

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

C:

Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

D:

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

E:

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

F:

You just call on me brother, when you  
u need a hand  
We all need somebody to lean on  
I just might have a problem that you  
'll understand  
We all need somebody to lean on

G:

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

call me If you need a friend (call me
