[A] (intro)

[B]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[C]

And I will go
To the farthest place on earth I know
I can travel all the road, you see
Cause I know you're there with me

[D]

You don't have to slow me down
Cause I will always be around
I will find my way back home
Where magnolia grows, where magnolia grows

[E] (interlude)

[F]

But I guess you know
Why I do what I do and where I go
I try to fill an empty space inside
But I can't do that without you

[G]

You're even with me in my dreams
I see a sail, the seven seas
I will try to find my way
You're always there tomorrow,
you're always there tomorrow

[H]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[I]

And I will go
To the farthest place on earth I know
I can travel all the road, you see
Cause I know you're there with me

[J]

You don't have to slow me down
Cause I will always be around
I will find my way back home
Where magnolia grows, where magnolia grows

[K]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[L]

And I will go
To the farthest place on earth I know
I can travel all the road, you see
Cause I know you're there with me

[M]

Here we go
On this rollercoaster life we know
With those crazy highs and real deep lows I
really don't know why

[N]

Cause I know
Oh I know
You're there with me
