"Just walk away," those windows say, but I can't believe she's gone.

D:  
When you're still waiting for the snow to fall  
It doesn't really feel like Christmas at all

E: Interlude

F:  
Up above candles on air flicker. Oh they flicker and they flow  
And I am up here holding on to all those chandeliers of hope

G:  
And like some drunken Elvis singing, I go singing out of tune  
Singing how I've always loved you, darling, and I always will

H:  
Oh when you're still waiting for the snow to fall  
It doesn't really feel like Christmas at all  
Still waiting for the snow to fall  
It doesn't really feel like Christmas at all

I: Interlude

J:  
Those Christmas lights light up the street  
Down where the sea and city meet  
May all your troubles soon be gone  
Oh Christmas lights, keep shining on

K  
Those Christmas lights light up the street  
Maybe they'll bring her back to me  
Then all my troubles will be gone  
Oh Christmas lights, keep shining on

L: Instrumental Woahohohoh woahohohoh

M:  
Oh Christmas lights light up the street  
Light up the fireworks in me  
May all your troubles soon be gone  
Those Christmas lights keep shining on

N: Outro
