You Take My Breath Away

- Queen -

Words and Music by Freddy Mercury
Arranged by Hans Kaldeway
Original Key

Oo…oo away, oo away oo, take my breath away

Look into my eyes and you'll see
I'm the only one
You've captured my love
Stolen my heart
Changed my life.
Ev'ry time you make a move
You destroy my mind
And the way you touch
I lose control and shiver deep inside
You take my breath away

You can reduce me to tears
With a single sigh
Ev'ry breath that you take
Any sound that you make
Is a whisper in my ear
I could give up all my life for just one kiss
I would surely die
If you dismiss me from your love
You take my breath away

So please don't go
Don't leave me here all by myself
I get ever so lonely from time to time
I will find you
Anywhere you go, I'll be right behind you
Right until the ends of the earth
I get no sleep till I find you to tell you
that you just take my breath away

I will find you… Anywhere you go, I'll be right behind you
Right until the ends of the earth
I get no sleep till I find you to tell you
When I've found you
I love you
