Note Arranger:
All instrumental parts (except for piano) are optional

The musical score is arranged in a standard Western format with the vocal line at the top and instrumental accompaniment below. The vocal part is written in a soprano clef (C1) and includes lyrics. The instrumental parts are arranged in a grand staff format, with the Piano Combo (Grand Piano) and Pedal (Ped.) parts in the center, and the Guitar, Bass Guitar, Drums, and Percussion parts at the bottom. The score is divided into two systems, labeled 1 and 2. The key signature is one sharp (F#), and the time signature is 4/4. The vocal line features a melodic line with lyrics: "I'm go - ing un - der and this time I fear there's no one to save me." The instrumental parts provide a harmonic and rhythmic accompaniment, with the Piano Combo playing a complex melodic line and the other instruments providing a steady rhythm.

A: intro

B:

I'm going under and this time I fear there's no one to save me
This "all or nothing" really got a way of driving me crazy
I need somebody to heal
Somebody to know, Somebody to have, Somebody to hold
It's easy to say. But it's never the same
I guess I kinda liked the way you numbed all the pain

C:

Now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

D:

I'm going under and this time I fear there's no one to turn to
This "all or nothing way" of loving got me sleeping without you
Now, I need somebody to know
Somebody to heal, Somebody to have
Just to know how it feels. It's easy to say but it's never the same
I guess I kinda liked the way you helped me escape

E:

Now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

F:

And I tend to close my eyes when it hurts sometimes
I fall into your arms
I'll be safe in your sound 'til I come back around

G:

For now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

H:

But now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

I:

I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved
