- Billie Eilish -

B

I want you to stay  
Till I'm in the grave  
Till I rot away, dead and buried  
Till I'm in the casket you carry

C

If you go, I'm goin' too  
'Cause it was always you  
And if I'm turnin' blue, please don't save me  
Nothin' left to lose without my baby

Birds of a feather, we should stick together, I know  
I said I'd never think I wasn't better alone  
Can't change the weather, might not be forever  
But if it's forever, it's even better

E

And I don't know what I'm cryin' for  
I don't think I could love you more  
It might not be long, but, baby, I  
I'll love you till the day that I die

F

Till the day that I die  
Till the light leaves my eyes  
Till the day that I die

G

I want you to see  
How you look to me  
You wouldn't believe if I told ya  
You would keep the compliments I throw ya

H

But you're so full of shit  
Tell me it's a bit (oh, oh)  
Say you don't see it, your mind's polluted  
Say you wanna quit, don't be stupid

I

And I don't know what I'm cryin' for  
I don't think I could love you more  
It might not be long, but, baby, I  
Don't wanna say goodbye

J

Birds of a feather, we should stick together, I know (till the day that I die)  
I said I'd never think I wasn't better alone (till the light leaves my eyes)  
Can't change the weather, might not be forever (till the day I die)  
But if it's forever it's even better

K

I knew you in another life  
You had that same look in your eyes  
I love you, don't act so surprised
