Verse 1

You and me, we used to be together
Ev'ry day together always
I really feel that I'm losing my best friend
I can't believe this could be the end.
It looks as though you're letting go
And if it's real then I don't want to know

Chorus1

Don't speak, I know just what you're saying
So please stop explainin', don't tell me 'cuz it hurts. No no,
Don't speak, I know just what you're thinking
I don't need your reasons, don't tell me 'cuz it hurts

Verse 2

Old memories, they can be inviting
But some are all together mightying
And as we die, both you and I,
With my head in my hands, I sit and cry.
