The first system of musical notation for 'The Rose Tree' is in treble clef, key of D major (two sharps), and 4/4 time. It begins with a box labeled 'A' and 'N.C.' (No Chords). The melody consists of a half note D4, a half note E4, a half note F#4, and a half note G4. This is followed by a double bar line, then a half note A4, a half note B4, a half note C5, and a half note D5. Another double bar line follows, then a half note E5, a half note F#5, a half note G5, and a half note A5. A final double bar line is followed by a half note B5, a half note C6, a half note D6, and a half note E6. The system ends with a double bar line and a fermata over the final note E6.

Birds Of A Feather

A

- Billie Eilish -

B

I want you to stay
Till I'm in the grave
Till I rot away, dead and buried
Till I'm in the casket you carry

C

If you go, I'm goin' too
'Cause it was always you
And if I'm turnin' blue, please don't save me
Nothin' left to lose without my baby

D

Birds of a feather, we should stick together, I know
I said I'd never think I wasn't better alone
Can't change the weather, might not be forever
But if it's forever, it's even better

E

And I don't know what I'm cryin' for
I don't think I could love you more
It might not be long, but, baby, I
I'll love you till the day that I die

F

Till the day that I die
Till the light leaves my eyes
Till the day that I die

G

I want you to see
How you look to me
You wouldn't believe if I told ya
You would keep the compliments I throw ya

H

But you're so full of shit
Tell me it's a bit (oh, oh)
Say you don't see it, your mind's polluted
Say you wanna quit, don't be stupid

I

And I don't know what I'm cryin' for
I don't think I could love you more
It might not be long, but, baby, I
Don't wanna say goodbye

J

Birds of a feather, we should stick together, I know (till the day that I die)
I said I'd never think I wasn't better alone (till the light leaves my eyes)
Can't change the weather, might not be forever (till the day I die)
But if it's forever it's even better

K

I knew you in another life
You had that same look in your eyes
I love you, don't act so surprised
