Arranged by Mathijs Zuidema
Original Key

A:
intro (Bloody Well Right)

B:
So you think your schooling's phony
I guess it's hard not to agree
You say it all depends on money
And who is in your family tree

C:
Right, you're bloody well right
You got a bloody right to say
Right, you're bloody well right
You know you got a right to say

D:
intro (Take The Long Way Home)

E:
So, you think you're a Romeo
Playing a part in a picture show
Well, take the long way home
Take the long way home
'Cause you're the joke of the neighborhood
Why should you care if you're feelin' good?
Well, take the long way home
Take the long way home

F:
There are times that you feel you're part of the scenery
All the greenery is comin' down, boy
And then your wife seems to think you're part of the furniture
Oh, it's peculiar, she used to be so nice

When lonely days turn to lonely nights
You take a drink at the old lights
And take the long way home
Take the long way home
You never see what you want to see
Forever playing in the gallery
You take the long way home
Take the long way home

When you're up on the stage, it's so unbelievable
Oh, unforgettable how they adore you
But then your wife seems to think you're losing your sanity
Oh, calamity, is there no way out?

I:
instrumental solo

2 Supertramp Medley
Lyrics

J:
intro (Goodybe Stranger)

K:
It was an early morning yesterday
I was up before the dawn
And I really have enjoyed my stay
But I must be moving on

L:
Like a king without a castle
Like a queen without a throne
I'm an early morning lover
And I must be moving on

K (2nd time):
Now, I believe in what you say
Is the undisputed truth
But I have to have things my own way
To keep me in my youth

L (2nd time):
Like a ship without an anchor
Like a slave without a chain
Just the thought of those sweet ladies
Sends a shiver through my veins

M:
And I will go on shining
Shining like brand new
I'll never look behind me
My troubles will be few

N:
instrumenal break

O+P:
Goodbye stranger it's been nice
Hope you find your paradise
Tried to see your point of view
Hope your dreams will all come true
Goodbye Mary, goodbye Jane
Will we ever meet again?
Feel no sorrow, feel no shame
Come tomorrow, feel no pain

Q:
So goodbye, Mary (goodbye, Mary)
Goodbye, Jane (goodbye, Jane)
Will we ever (will we ever)
Meet again? (Meet again?)

R:
Intro (It's Raining Again)

S:
Oh, it's raining again
Oh no, my love's at an end
Oh no, it's raining again
And you know it's hard to pretend

T:
Oh no, it's raining again
Too bad I'm losing a friend
Oh no, it's raining again
Oh will my heart ever mend

U:
You're old enough some people say
To read the signs and walk away
It's only time that heals the pain
And makes the sun come out again

V:
It's raining again
Oh no, my love's at an end
Oh no, it's raining again
Too bad I'm losing a friend

W:
Da da da da da da da da
da da, da da da da da da da da da.
Da da da da da da da da da da

X:
Come on you little fighter
No need to get uptighter
Come on you little fighter
And get back up again

Y:
Right, you're bloody well right
You got a bloody right to say
Right, you're bloody well right
You know you're right to say
