DEMO VERSION

A
Turn around
Ev'ry now and thean I get a little bit lonely and you're never coming round
Turn around
Ev'ry now and then I get a little bit tired of lis'ning to the sound of my tears
Turn around
Ev'ry now and then I get a little bit nervous that the best of all the years have gone by
Turn around
Ev'ry now and then I get a little bit terrified and then I see the look in your eyes
Turn around, bright eyes
Ev'ry now and then I fall apart
Turn around, bright eyes
Ev'ry now and then I fall apart

B
And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'cause we'll ver be wrong
Together we can take it to the end of the line
You love is like a shadow on me all of the time (all of the time)
I don't now what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever 's gonna start tonight
Forever 's gonna start tonight

C
Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart
