Intro

Verse 1

And I know she'll be the death of me at least we'll both be numb.
And she'll always get the best of me the worst is yet to come.
But at least we'll both be beautiful and stay forever young.
This I know. Yeah. This I know.

Pre-chorus 1

She told me don't worry about it.
She told me don't worry no more.
We both know we can't go without it.
She told me you'll never be alone oh oh ooh.

Chorus 1

I can't feel my face when I'm with you but I love it but I love it.
I can't feel my face when I'm with you
but I love it but I love it, oh.

Verse 2

And I know she'll be the death of me at least we'll both be numb.
And she'll always get the best of me the worst is yet to come.
All the misery was necessary when we're deep in love.
This I know. Girl, I know
