Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sons

B
C
If this is to end in fire
Then we should all burn together
Watch the flames climb high into the night
Calling out father oh
Stand by and we will
Watch the flames burn auburn
on the mountain side, high.

D
And if we should die tonight
Then we should all die together
Raise a glass of wine for the last time
Calling out father oh
Prepare as we will
Watch the flames burn auburn
on the mountain side
Desolation comes upon the sky

E
Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze
And I hope that you remember me

F (instrumental)

G
Oh, should my people fall
Then surely I'll do the same
Confined in mountain halls
We got too close to the flame
Calling out father oh
Hold fast and we will

Watch the flames burn auburn
on the mountain side
Desolation comes upon the sky

H
Now I see fire
Inside the mountain
I see fire
Burning the trees
I see fire
Hollowing souls
I see fire
Blood in the breeze
And I hope that you remember me

I
And if the night is burning
I will cover my eyes
For if the dark returns
Then my brothers will die
And as the sky is falling down
It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming out

Now I see fire
Inside the mountains
I see fire
Burning the trees
I see fire

I see fire,
Oh you know I saw a city burning (fire)
And I see fire,
