Original Key Am*

A

B

That Arizona sky burning in your eyes
You look at me and babe, I wanna catch on fire
It's buried in my soul like California gold
You found the light in me that I couldn't find

C

So when I'm all choked up and I can't find the words
Ev'ry time we say goodbye baby, it hurts
When the sun goes down and the band won't play
I'll always remember us this way

D

Lovers in the night, poets tryin' to write
We don't know how to rhyme but damn, we try
But all I really know, you're where I wanna go
The part of me that's you will never die

E

So when I'm all choked up and I can't find the words
Ev'ry time we say goodbye baby, it hurts
When the sun goes down and the band won't play
I'll always remember us this way. Oh, yeah
I don't wanna be just a memory, baby, yeah

F

Oo, oo, oo, oo

G

When I'm all choked up and I can't find the words
Ev'ry time we say goodbye baby, it hurts
When the sun goes down and the band won't play
I'll always remember us this way, whow yeah

H

When you look at me
And the whole world fades
I'll always remember us this way
