A
Standin' on the platform
Watching you go
It's like no other pain
I've ever known
To love someone so much
To have no control
You said, "I wanna see the world"
And I said, "go"

B
But I think I'm lost without you
I just feel crushed without you
I've been strong for so long
That I never thought how much I needed you
I think I'm lost without you

C
Strangers rushing past
Just tryna get home
But you were the only
Safehaven that I've known
Hits me at full speed
Feel like I can't breathe
And nobody knows
This pain inside me
My world is crumbling
I should never have
Let you go

D
I think I'm lost without you
I think I'm lost, lost, lost

E
Ooh-way, ooh-way, ooh-way, ooh, ooh

F
I think I'm lost without you, you
I just feel crushed without you
'Cause I've been strong for so long
That I never thought how much I love you

G
Standin' on the platform
Watching you go
You said, "I wanna see the world"
And I said, "Go"
