A: Intro

B:

Waking tonight from a dream black and white
To a life in multicolor
Polarized lights, flash and open my eyes
To a world that's undiscovered

C:

I see you, I see me like a lost memory
That's appearing out of the blue
All is new, that I see, now I truly perceive
There is more than I ever knew

D:

I see you, I see me like a lost memory
That's appearing out of the blue
All is new, that I see, now I truly perceive
There is more than I ever knew

In this view, oh oh
I see all the colors in you
In this view, oh oh
I see all the colors in you

Multicolor, Multicolor, Multicolor
I see all the colors in you
