# Green Green Grass

- George Ezra -

*Words and Music by George Barnett, Joel Pott and Stuart Price*

*Arranged by Frank de Vreeze*

*Original Key*

A:  
 Well she moves like lightning  
 And she counts to three  
 Then she turns out all the lights  
 And says she's coming for me  
 Now put your hands up  
 This is a heist  
 And there's no one in here living  
 Gonna make it out alive

B:  
 Load it up when the sun comes down  
 Getaway car for two young lovers  
 Me and the girl straight out of town  
 Over the hills and undercover  
 Undercover, undercover  
 She said

C:  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die

D:  
 We go together, Adam and Eve  
 But the girl is so much more than just another apple thief  
 Yeah, she's a genius (genius), watch and learn  
 How she sets the world on fire just to watch the sucker burn

E:  
 Load it up when the sun comes down  
 Getaway car for two young lovers  
 Me and the girl straight out of town  
 Over the hills and undercover  
 Undercover, undercover  
 She said

F:  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die

G:  
 Throw a party (yeah), throw a party, yeah  
 Throw a party (woo), on the day that I die  
 Throw a party (hey), throw a party, yeah  
 Throw a party, on the day that I die

H:  
 Load it up when the sun comes down  
 Getaway car for two young lovers  
 Me and the girl straight out of town  
 Over the hills and undercover  
 Undercover, undercover  
 She said

I:  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die

J:  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die  
 Green green grass, blue blue sky  
 You better throw a party on the day that I die
