23 Lyrics

Words and Music by Corinne Bailey Rae

Arranged by Theo Janssen

Original Key A

Verse 1 Three little birds, sat on my window
 And they told me I don't need to worry
 Summer came like cinnamon, so sweet
 Little girls double-dutch on the concrete

 Maybe sometimes, we've got it wrong, but it's alright
 The more things seems to change, the more they stay the same
 Oo, don't you hesitate

Chorus Girl, put your records on, tell me your fav'rite song
 You go ahead, let your hair down
 Sapphire and faded jeans, I hope you get your dreams
 Just go ahead, let your hair down

 You're going to find yourself somewhere, somehow

Verse 2 Blue as the sky, sunburnt and lonely
 Sippin' tea in a bar by the roadside(Just relax, just relax)
 Don't you let those other boys fool you
 Got to love that afro hair do

 Maybe sometimes, we feel afraid, but it's alright
 The more you stay the same, the more they seem to change
 Don't you think it's strange?

Chorus

Bridge 'Twas more than I could take, pity for pity's sake
 Some nights kept me awake, I thought that I was stronger
 When you gonna realise, that you don't even have to try any longer?
 Do what you want to

Chorus Girl, put your records on, tell me your fav'rite song
 You go ahead, let your hair down
 Sapphire and faded jeans, I hope you get your dreams
 Just go ahead, let your hair down

Chorus Girl, put your records on, tell me your fav'rite song
 You go ahead, let your hair down
 Sapphire and faded jeans, I hope you get your dreams
 Just go ahead, let your hair down

 You're going to find yourself somewhere, somehow
