A: Intro

B:

I'm not afraid of anything in this world,
there's nothing you can throw at me that I haven't already heard.
I'm just trying to find a decent melody,
a song that I can sing in my own company.

C:

I never thought you were a fool, but darling look at you, oh.
You gotta stand up straight, carry your own weight,
these tears are going nowhere, baby.

D:

You've got to get yourself together you've got stuck in a moment
and now you can't get out of it.
Don't say that later will be better now you're stuck in a moment
and you can't get out of it.

E:

I will not forsake the colours that you bring,
the nights you filled with fireworks they left you with nothing.
I'm still enchanted by the light you brought to me,
I listen through your ears and through your eyes I can see.

F:

And you are such a fool, to worry like you do, oh.
I know it's tough and you can never get enough
of what you don't really need, now, my oh my.

G:

You've got to get yourself together you've got stuck in a moment
and you can't get out of it.
Oh love, look at you now, you've got yourself stuck in a moment
and you can't get out of it.

H:

I was unconscious half asleep,
the water is warm till you discover how deep.
I wasn't jumping, for me it was a fall,
it's a long way down to nothing, at all, oh wey.

I:

You've got to get yourself together you've got stuck in a moment
and you can't get out of it.
Don't say that later will be better now you're stuck in a moment
and you can't get out of it.

J:

And if the night runs over, and if the day won't last.
And if our way should falter, along the stony pass.

K:

And if the night runs over, and if the day won't last
And if our way should falter, along the stony pass.
It's just a moment, this time will pass.
