Can You Feel The Love Tonight Your Song

It's a little bit funny this feeling inside
I'm not one of those who can easily hide
I don't have much money but boy if I did
I'd buy a big house where we both could live

I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind when I wrote this song
It's for people like you that keep it turned on

And you can tell ev'rybody this is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind that I put down in words
How wonderful life is while you're in the world

Daniel

Daniel is trav'ling tonight on a plane
I can see the red tail lights heading for Spain
Oh and I can see Daniel waving goodbye
God it looks like Daniel, must be the clouds in my eyes
Oh God it looks like Daniel, must be the clouds in my eyes

I Guess That's Why They Call It The Blues

And I guess that's why they call it the blues
Time on my hands could be time spend with you
Laughing like child'ren, living like lovers
Rolling like thunder under the covers
And I guess that's why they call it the blues
Laughing like child'ren, living like lovers
And I guess that's why they call it the blues
Laughing like child'ren, living like lovers
And I guess that's why they call it the blues

Candle In The Wind

Goodbye Norma Jean, thought I never knew you at all
You had the grace to hold yourself while those around you crawled
They crawled out of the woodwork and they whispered into your brain
They set you on the treadmill and made you change your name
