Radio Broadcast
"OK, here we go, we got a real pressure cooker going here,
Two down, nobody on, no score, bottom of the ninth,
There's the windup, and there it is, a line shot up the middle,
Look at him go. This boy can really fly! He's rounding first and really turning it on now, he's not letting up at all, he's gonna try for second; the ball is bobbled out in center, and here comes the throw, and what a throw! He's gonna slide in head first, here he comes, he's out! No, wait, safe-safe at second base, this kid really makes things happen out there. Batter steps up to the plate, here's the pitch-he's going, and what a jump he's got, he's trying for third, here's the throw, it's in the dirt-safe at third! Holy cow, stolen base! He's taking a pretty big lead out there, almost daring him to try and pick him off. The pitcher glances over, winds up, and it's bunted, bunted down the third base line, the suicide squeeze is on! Here he comes, squeeze play, it's gonna be close, here's the throw,
here's the play at the plate holy cow,I think he's gonna make it!"

You could skip the original Radio Broadcast lyrics and use this section during a concert to provide information about:conductor, band members, rehearsals etc. etc.

Radio Broadcast

"OK, here we go, we got a real pressure cooker going here,
Two down, nobody on, no score, bottom of the ninth,
There's the windup, and there it is, a line shot up the middle,
Look at him go. This boy can really fly! He's rounding first and really turning it on now, he's not letting up at all, he's gonna try for second; the ball is bobbled out in center, and here comes the throw, and what a throw! He's gonna slide in head first, here he comes, he's out! No, wait, safe-safe at second base, this kid really makes things happen out there. Batter steps up to the plate, here's the pitch-he's going, and what a jump he's got, he's trying for third, here's the throw, it's in the dirt-safe at third! Holy cow, stolen base! He's taking a pretty big lead out there, almost daring him to try and pick him off. The pitcher glances over, winds up, and it's bunted, bunted down the third base line, the suicide squeeze is on! Here he comes, squeeze play, it's gonna be close, here's the throw,
here's the play at the plate holy cow,I think he's gonna make it!"

Paradise by the Dashboard Light

- Meat loaf -

Words and Music by Jim Steinman
Arranged by Frank de Vreeze
Original Key

A Aah, shahoo shup shup, shahoo shup shup, shahoo shup shup, shup shup shup shup

B Well I remember every little thing as if it happened only yesterday
Parking by the lake and there was not another car in sight
And I (shahoo shup shup etc) never had a girl, looking any better than you did
And all the kids at school (ooh) they were wishing they were me that night

C And now our bodies are oh so close and tight (shup shup, shahoo shup)
It never felt so good, it never felt so right (shup shup, shahoo shup)
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! (Aah) Hold on tight!
Well c'mon! Hold on tight! (tight!)

D Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light

E..Ain't no doubt about it we were doubly blessed (shahoo shup shup, shup shup shup shup)
'Cause we were barely seventeen and we were barely dressed (shahoo shup shup, …….)
Ain't no doubt about it, baby got to go and shout it
Ain't no doubt about it, we were doubly blessed
'Cause we were barely seventeen and we were barely dressed
shahoo shup shup, shahoo shup shup, shahoo shup shup, shup shup shup shup

F Baby don' cha hear my heart (shahoo shup shup… etc) You got it drowning out the radio
I've been awaiting so long for you to come along and have some fun(shup shup shup shup shup shup)
Well I gotta let you know (shahoo shup shup… etc) No you're never gonna regret it
So open (ooh) up your eyes I got a big surprise It 'll feel all right
Well I wanna make your motor run

G And now our bodies are oh so close and tight (shup shup, shahoo shup)
It never felt so good, it never felt so right (shup shup, shahoo shup)
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! (Aah) Hold on tight!
Well c'mon! Hold on tight! (tight!)

H Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Though its cold (ooh) and lonely in the deep dark night in the deep dark night
(in the deep dark night) Paradise by the dashboard light
