Each time the wind blows I hear your voice so I call your name
Whispers at morning our love is dawning Heaven's glad you came
You know how I feel this thing can't go wrong
I'm so proud to say I love you
Your love's got me high I long to get by
This time is forever love is the answer

I hear your voice now you are my choice now, the love we bring
Heaven's in my heart at your call I hear harps,
And angels sing
You know how I feel this thing can't go wrong
I can't live my life without you
I just get hooked on I feel we belong
My life ain't worth living if I can't be with you

I just can't stop loving you. (2x)
And if I stop then tell me just what will I do
'cause I just can't stop loving you

At night when the stars shine I pray, in you I'll find a love so true
When morning awakes me will you come and take me I'll wait for you
You know how I feel I won't stop until
I hear your voice saying "I do"
This thing can't go wrong this feeling's so strong
My life ain't worth living If I can't be with you

I just can't stop loving you. (2x)
And if I stop then tell me just what will I do
'cause I just can't stop loving you

We can change all the world tomorrow we can sing songs of yesterday
I can say, hey farewell to sorrow
This is my life and I,
Want to see you for always

I just can't stop loving you. (2x)
And if I stop then tell me just what will I do

I just can't stop loving you. (2x)
And if I stop then tell me just what will I do
'cause I just can't stop loving you
