*Words and Music by Ed Sheeran

Verse 1

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?

Verse 1a

And, darlin', I will be lovin' you 'ntill we're seventy
And, baby, my heart could still fall as hard at twentythree
I'm thinkin' 'bout how people fall in love in mysterious ways
Maybe just a touch of a hand
Well, me I fall in love with you ev'ry single day
I just wanna tell you I am

Chorus 1

So honey now, take me into your lovin' arms
Kiss me under the light of a thousand stars
Place your head on my beatin' heart
I'm thinking out loud
Maybe we found love right where we are

Verse 2

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same

Verse 2a

'Cause honey your soul could never grow old, it's evergreen
And, baby, your smile's forever in my mind and memory
I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
Well, I'll just keep on making the same mistakes
Hoping that you'll understand

Chorus 1

But, baby, now. Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
Thinking out loud
That maybe we found love right where we are

Chorus 3

So, baby, now. Take me into your loving arms
Kiss me under the light of a thousand stars
Oh, darling, place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are
