"It drives me crazy"

B
Tumble out of bed and stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life
Jump in the shower and the blood starts pumping
Out on the streets the traffic starts jumping
With folks like me on the job from nine to five

C
Working nine to five what a way to make a living
Barely getting by, it's all taking and no giving
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

D
Nine to five, for service and devotion
You would think that I would deserve a fat promotion
Want to move ahead but the boss won't seem to let me
I swear sometimes that man is out to get me

E ooh

F
They let you dream just to watch them shatter
You're just a step on the boss man's ladder
But you've got dreams he'll never take away
In the same boat with a lot of your friends
Waitin' for the day your ship 'll come in
And the tide's gonna turn and it's all gonna roll you away

G
Working nine to five what a way to make a living
Barely getting by, it's all taking and no giving
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it

H
Nine to five, they've got you where they want you
There's a better life and you think about it don't you?
It's a rich man's game no matter what they call it

Nine to five (hey!) what a way to make a living
Barely getting by, it's all taking and no giving

and they never give you credit
It's enough to drive you crazy if you let it

J
Nine to five, (11x)
Nine to one (one)

nine to (five) five

K
Nine to five (hey!) what a way to make a livin'
