A
This could be the end of everything
So why don't we go

B
I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river, and it made me complete

C
Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

D
I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

E
Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

F
And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?

G
Somewhere only we know
