A:  
Build a fire and gather 'round the tree  
Fill a glass and maybe come and sing with me

B:

C:  
So kiss me under the mistletoe  
Pour out the wine,  
let's toast and pray for December snow  
I know there's been pain this year,  
but it's time to let it go  
Next year, you never know  
But for now: "Merry Christmas".

D:  
We'll dance in the kitchen while embers glow  
We've both known love,  
but this love we got is the best of all  
I wish you could see it through my eyes  
then you would know  
My God, you look beautiful right now  
Merry Christmas

E:  
The fire is raging on  
And we'll all sing along to the song  
Just having so much fun  
While we're here,  
can we all spare a thought  
For the ones who have gone?  
"Merry Christmas, everyone!"

F:  
aah, aah

G:  
So just keep kissing me under the mistletoe  
Pour out the wine,  
let's toast and pray for December snow  
I know there's been pain this year,  
but it's time to let it go  
Next year, you never know  
But for now, Merry Christmas

I feel when you're here

Filled up with so much love

Where we all belong
