A:
Build a fire and gather 'round the tree
Fill a glass and maybe come and sing with me

B:

C:
So kiss me under the mistletoe
Pour out the wine,
let's toast and pray for December snow
I know there's been pain this year,
but it's time to let it go
Next year, you never know
But for now: "Merry Christmas".

D:
We'll dance in the kitchen while embers glow
We've both known love,
but this love we got is the best of all
I wish you could see it through my eyes
then you would know
My God, you look beautiful right now
Merry Christmas

E:
The fire is raging on
And we'll all sing along to the song
Just having so much fun
While we're here,
can we all spare a thought
For the ones who have gone?
"Merry Christmas, everyone!".

F:
aah, aah

G:
So just keep kissing me under the mistletoe
Pour out the wine,
let's toast and pray for December snow
I know there's been pain this year,
but it's time to let it go
Next year, you never know
But for now, Merry Christmas

H:
We'll dance in the kitchen while embers glow[®]
We've both known love,
but this love we got is the best of all
I wish you could see it through my eyes
then you would know
My God, you look beautiful right now
Merry Christmas

I:
I feel it when it rains
Every year, happiness is on
Filled up with so much love
All the family and friends are together
Where we all belong
Merry Christmas, everyone

J:
aah, aah (2x)

K:
It's Christmas time for you and I
We'll have a good night and a merry Christmas
It's Christmas time for you and I
We'll have a good night and a merry Christmas
It's Christmas time for you and I
We'll have a good night and a merry Christmas
It's Christmas time for you and I
We'll have a good night and a merry Christmas time
